

Kevin Wilcock, AIA  
*partner*

Kevin Wilcock joined David Baker + Partners in 1996 and has more than 21 years of design, construction, and management experience in a spectrum of projects. These range from commercial buildings and restaurant facilities to affordable and market rate multi-unit housing and custom residences. At the beginning of 2001, Kevin was made partner.

Kevin has been responsible for all aspects of professional practice, including design, preparation of construction documents and specifications, project management, and administration of new and remedial construction.
